INDEX TO VOLUME 53

AUTHORS INDEX*

A

ABBASSY, A. SHAFIK, MASSOUD, GAMAL-EL-DINE, AND RIDA, AMIN, Hand-Schüller-Christian disease, 233

ADAMS, FORREST H. (WITH FINK, BURTON W., MOSS, ARTHUR J., AND O'LOUGHLIN, BERNARD J.), Right heart catheterization in infants and children, 566

AFTAHI, FARHANG (WITH AMERMAN, E. E., AND BRESCIA, MICHAEL A.), Ferrous sulfate poisoning, 476

AMERMAN, E. E., BRESCIA, MICHAEL A., AND AFTAHI, FARHANG, Ferrous sulfate poisoning, 476

ARMSTRONG, JAMES G., Acute gastroenteritis, 704

ASAY, LYAL D. (WITH KOCH, RICHARD), Oleandomycin, a laboratory and clinical evaluation, 676

ASSEVERO, VICTOR L., AND MOSS, JAMES M., Diabetes mellitus in infancy, 227

AZAN, LUIS (WITH CASTELLANOS, AGUSTIN, CALVIÑO, JOSE M., AND CASTELLANOS, AGUSTIN, JR.), Supraventricular tachycardia simulating ventricular paroxysmal tachycardia in infancy, 285

B

BATES, TALCOTT, AND GRUNWALDT, EDGAR, Myofascial pain in childhood, 198

BATSON, RANDOLPH, AND CHRISTIE, AMOS, Immunization methods and materials, 51

BAUMGARTNER, RUTH J. (WITH BRADLEY, J. EDMUND), Subsequent mental development of children with lead encephalopathy, as related to type of treatment, 311

BEHRER, M. REMSEN (WITH GOLDRING, DAVID, BROWN, GEORGE, AND ELLIOTT, GLADDEN), Rheumatic pneumonitis. Part II. Report on the clinical and laboratory findings in twenty-three patients, 547

BLANCO, RAMON L. (WITH ESPINOSA, RENATO R., AND PICORNELL, BARTOLOME V.), Prolapsing trigonal mucosa in infant, 446

BLATTNER, RUSSELL J., Adenovirus pneumonia, 631

—, Ardmore disease: a new clinical entity? 249

—, Correspondence, 253

—, Environmental penicillin and penicillin-resistant Staphylococcus aureus, 131

—, Mammalian viruses and rickettsiae: new methods of purification and recovery, 503

—, Necrotic arachnidism, 377

—, Neurologic complications of Asian influenza, 751

BOGIN, MAXWELL, GOTTFRIED, SIDNEY P., LEVYCKY, NICHOLAS V., AND GRAF, CURT, Serum bilirubin levels in the newborn infant and their relation to clinical icterus and liver function studies, 529

BONGIOVANNI, ALFRED M., MELLMAN, WILLIAM J., AND EBERLEIN, WALTER R., The proper use of adrenal hormonal drugs in pediatric practice, 3

BOWERS, DORRANCE, Correspondence, 635

BRADLEY, J. EDMUND, AND BAUMGARTNER, RUTH J., Subsequent mental development of children with lead encephalopathy, as related to type of treatment, 311

BRESCIA, MICHAEL A. (WITH AMERMAN, E. E., AND AFTAHI, FARHANG), Ferrous sulfate poisoning, 476

BRITT, ROBERT L. (WITH WARNER, CHARLES L., AND RILEY, HARRIS D., JR.), Bronchopulmonary sequestration in infancy and childhood, 521

BRODER, HAROLD M., Prognosis in Legg-Perthes disease, 451

BROWN, GEORGE (WITH GOLDRING, DAVID, BEHRER, M. REMSEN, AND ELLIOTT, GLADDEN), Rheumatic pneumonitis. Part II. Report on the clinical and laboratory findings in twenty-three patients, 547

BUSH, LOUIS G., Medicine at an American Indian reservation, 622

SUBJECT INDEX*

A

Acetazolamide (Diamox) in treatment of epilepsy in children, clinical evaluation of (Holowach and Thurston), 160
Adenocarcinoma of thyroid, papillary (CPC), 494
Adenovirus pneumonia (Blattner), 631
Adrenal crises in newborn infant, recognition and treatment (Scherz and Geppert), 645
  hormonal drugs in pediatric practice (Bongiovanni et al.), 3
  hyperplasia, congenital virilizing, adrenogenital syndrome due to (Etteldorf et al.), 389
Adrenogenital syndrome due to congenital virilizing adrenal hyperplasia (Etteldorf et al.), 389
Amino acids, serum and urine, in infantile toxicosis (Choremis and Nicolopoulos), 515
Angiomatosis, cerebral (Gerhard and Thelander), 586
Anorexia, treatment of (MacKenzie), 187
Antibacterial agents, pediatric use of (Kempe), 19
Arachnidism, necrotic (Blattner), 377
Ardmore disease, new clinical entity (Blattner), 249
Ascaris lumbricoides, multiple hepatic abscesses due to (Thannisch), 602
Asian influenza, neurologic complications of (Blattner), 751

B

Bacteriological diagnosis of childhood tuberculosis using bone marrow and peripheral blood aspirates (Kimsey), 413
Basic research program (editorial), 388
Behavior disorders in children, deanol in treatment of (Oettinger), 671
Bilirubin, serum, levels in newborn infant, and their relation to clinical icterus and liver function studies (Bogin et al.), 529
Blood aspirates, peripheral, and bone marrow in bacteriological diagnosis of childhood tuberculosis (Kimsey), 413
Body surface, calculation of nutritional allowances for infants and children on basis of (Stickler and Pinkel), 464
Bone marrow and peripheral blood aspirates in bacteriological diagnosis of childhood tuberculosis (Kimsey), 413
Books:
  Affections non congénitales de l'anus et du rectum chez l'enfant (Duhamel), 386
  Anthropology and human nature (Montagu), 137
  Antisera, toxoids, vaccines and tuberculins in prophylaxis and treatment (Parish), 759
  Atomic age and our biological future (Brondsted), 759
  Care of the well and the sick child (Catel), 137
  Child care and training (Faegre et al.), 257
  Chirurgie infantile d'urgence (Fèvre), 758
  Chirurgie préventive da la tuberculose ostéo-articulaire (Kaufmann), 386
  Cleft palate and speech (Morley), 512
  Clinical and immunologic aspects of fungous diseases (Wilson), 136
  Common sense about gifted children (Abraham), 511
  Congenital anomalies of the hand and their surgical treatment (Barsky), 759
  Directory for exceptional children, 386
  Drugs; their nature, action and use (Beckman), 256
  Emotional problems of adolescents (Gallagher and Harris), 510
  Epilepsy handbook (Gibbs and Stamps), 757
  Essentials of pediatrics (Jeans et al.), 760
  Étude radiologique de la circulation veineuse du membre supérieur (sujet normal) (Lavizzari and Ottolini), 512
  Growth and development of the young child (Breckenridge and Murphy), 257
  Guide to summer camps and summer schools, 760
  Handbook of treatment of acute poisoning (Bensley and Joron), 760
  Human blood in New York City, 758
  l'Hydrocephalie du nourrisson (Klein), 386
  Laboratory medicine-hematology (Miale), 757
  Medical assistant (Bredow), 512
  Modern prescription drugs: their impact on the family budget, 759

*July, pp. 1-138; August, pp. 139-258; September, pp. 259-388; October, pp. 389-514; November, pp. 515-644; December, pp. 645-776

Books—Cont'd
Nursing of mental defectives (Hallas), 760
Nursing mother (Richardson), 758
Orthopedics for the general practitioner (Kenney and Larson), 257
Our nuclear adventure (Arnott), 512
Paediatrics for nurses (Watkins), 760
Parents' guide to everyday problems of boys and girls (Gruenberg), 386
Pediatric gynecology (Schauffler), 760
Pediatric surgery (Swenson), 756
Pharmacologic principles of medical practice (Krantz and Carr), 257
Practical cardiology (Hyman), 760
Primer of cerebral palsy (Russ and Soboloff), 760
Principles of internal medicine (Harrison), 760
Psychology of medical practice (Hollender), 638
Régimes du nourrisson, bien-portant ou malade (Delthil), 257
Rehabilitation of the cardiovascular patient (White et al.), 511
Signs, symptoms and treatment of certain acute intoxications (Deichmann and Gerarde), 386
Sinusites de l'enfance (Terracol and Guerrier), 759
Surgery in infancy and childhood (White and Dennison), 511
Tuberculosis in white and Negro children. Volume I. Roentgenologic aspects of The Harriet Lane Study (Hardy), 637
Volume II. Epidemiologic aspects of The Harriet Lane Study (Brailey), 637
Brain damage, lesser, learning disabilities associated with (Thelander et al.), 405
Bronchopulmonary sequestration in infancy and childhood (Warner et al.), 521

C

Candida albicans, role in common skin disorders of infancy and early childhood (Vignec), 692
Cardiac failure in newborn infant, cerebral arteriovenous fistula producing, 731
Catheterization, right heart, in infants and children (Fink et al.), 566
Celiac disease: response to gluten-free diet (Graven and Tomsovic), 726
Cerebral angiomatosis (Gerhard and Thelander), 586
arteriovenous fistula producing cardiac failure in newborn infant (Pollock and Laslett), 731
palsied children, education of (Katz), 467
Chin, familial trembling of (Wadlington), 316
Cholangiography, intravenous, in children with fibrocystic disease of pancreas (Jones et al.), 172
Clinical Pathological Conferences:
congenital muscular dystrophy, 744
Hashimoto's thyroiditis, 494
hypertrophic interstitial neuritis (Déjerine-Sottas disease), 107
leukemia with cerebral complications, 349
papillary adenocarcinoma of thyroid, 494
pulmonary hypertension, 615
sepsis of newborn, 241
Coma in child following use of isopropyl alcohol in sponging (Senz and Goldfarb), 322
Comments on Current Literature:
adenovirus pneumonia, 631
Ardmore disease, new clinical entity, 249
environmental penicillin and penicillin-resistant Staphylococcus aureus, 131
mammalian viruses and rickettsiae; new methods of purification and recovery, 503
necrotic arachnidism, 377
neurologic complications of Asian influenza, 751
Compazine (prochlorperazine), severe neurological manifestations in four children receiving (Jabbour et al.), 153
Congenital malformations, frequency of, in offspring of nondiabetic and diabetic individuals; studies in human reproduction, III (Rubin and Murphy), 579
Coproliths (calcified appendiceal calculi) in children (Stiles), 741
Correspondence, 252, 381, 506, 635

D

Deanol in treatment of disorders of behavior in children (Oettinger), 671
Déjerine-Sottas disease (CPC), 107
Dermal fistulas of dental origin in children (Olmsted), 221
Diabetes mellitus in infancy (Assevero and Moss), 227
Duodenal ulcer, perforated, in infant (Oeconomopoulos), 324

E

Eczema, allergic versus seborrheic infantile, treatment of (Crawford), 99
Editorial comments on therapeutic issue (Etteldorf), 1
Editor's Column:
basic research program, 388
hail and farewell, 761
Journal educational lectureships for 1958, 138
medical litany, 258
pet peeves, 387
tranquilizers, 764
visiting policies for children's hospitals, 513
Empyema in children (Lionakis et al.), 719
Encephalitis, influenza (Mellman), 292

Eosinophil level, circulating, in newborn infant following normal and difficult labor (Khalil), 662
Epilepsy in children, clinical evaluation of acetazolamide (Diamox) in treatment of (Holowach and Thurston), 160
group dynamics in treatment of (Kamin et al.), 410
terminology and differential diagnosis for brief seizures in infants and children; and definition of petit mal (Senz), 441
Epileptic child, treatment of (Hughes and Jabbour), 66
Esophagus, cicatricial stenosis of, following ingestion of single urine-sugar reagent tablet (Tomsovic and Javid), 608

F

Familial dysautonomia (Stadler), 481
trembling of chin (Wadlington), 316
Ferrous sulfate poisoning (Amerman et al.), 476
Fibrocystic disease of pancreas, intravenous cholangiography in children with (Jones et al.), 172
Fistulas, dermal, of dental origin, in children (Olmsted), 221
Flora of umbilical stump (Fairchild et al.), 538

G

Gastroenteritis, acute (Armstrong), 704
Gluten-free diet, response of celiac disease to (Graven and Tomsovic), 726
Glycogen storage disease (Wagner et al.), 683
Group dynamics in treatment of epilepsy (Kamin et al.), 410

H

Hail and farewell (editorial), 761
Hand-Schüller-Christian disease (Abbassy), 233
Hashimoto's thyroiditis (CPC), 494
Heart catheterization, right, in infants and children (Fink et al.), 566
Helmholz, Henry Frederic: in memoriam, 634
Hepatic abscesses, multiple, due to Ascaris lumbricoides (Thannisch), 602
Hydramnios as signal to physician responsible for newborn infants (DeYoung), 277
Hypertension, pulmonary (CPC), 615
Hypertrophic interstitial neuritis (Déjerine-Sottas disease) (CPC), 107

I

Icterus, clinical, and liver function studies, serum bilirubin levels in newborn infant and their relation to (Bogin et al.), 529
Immunization methods and materials (Batson and Christie), 51
In memoriam: Henry Frederic Helmholz, 634
Indian reservation, American, medicine at (Bush), 622
Infancy and childhood, bronchopulmonary sequestration in (Warner et al.), 521
and early childhood, role of Candida albicans in common skin disorders of (Vignec), 692
Infant welfare, history of (Solomons), 360
Infantile toxicosis, serum and urine amino acids in (Choremis and Nicolopoulos), 515
Infants and children, right heart catheterization in (Fink et al.), 566
Influenza, Asian, neurologic complications of (Blattner), 751
encephalitis (Mellman), 292
Inguinal hernia, incarceration of Meckel's diverticulum in (Kline), 479
Intestinal parasites, management of (Jung), 89
strangulation obstruction in newborn infant, methemoglobinemia associated with (Quillian et al.), 737
Iron as therapeutic agent in pediatric practice (Smith), 37
Isopropyl alcohol in sponging, coma in child following use of (Senz and Goldfarb), 322

J

Journal educational lectureships for 1958 (editorial), 138

K

Kidney disease, multicystic, unilateral (Coppridge and Ratliff), 330

L

Lead encephalopathy, subsequent mental development of children with, as related to type of treatment (Bradley and Baumgartner), 311
Learning disabilities associated with lesser brain damage (Thelander et al.), 405
Legg-Perthes disease, prognosis in (Broder), 451
Leptomeningitis due to Gaffkya tetragena (Perou et al.), 484
Leukemia with cerebral complications (CPC), 349
chronic monocytic, in childhood (Pearson and Diamond), 259
Liver function studies, clinical icterus and, serum bilirubin levels in newborn infant and their relation to (Bogin et al.), 529

M

Meckel's diverticulum, incarceration of, in inguinal hernia (Kline), 479
rupture of, in newborn infant, meconium peritonitis caused by (Gilbert and Rainey), 597
Meconium peritonitis caused by rupture of Meckel's diverticulum in newborn infant (Gilbert and Rainey), 597
Medical Progress:
history of infant welfare (Solomons), 360
obesity (Illingworth), 117
Mental development, subsequent, of children with lead encephalopathy as related to type of treatment (Bradley and Baumgartner), 311
Methemoglobinemia associated with intestinal strangulation obstruction in newborn infant (Quillian et al.), 737
Monocytic leukemia, chronic, in childhood (Pearson and Diamond), 259
Multicystic kidney disease, unilateral (Coppridge and Ratliff), 330
Muscular dystrophy, congenital (CPC), 744
Myofascial pain in childhood (Bates and Grunwaldt), 198

N

Narcotic addiction in newborn infant (Roman and Middelkamp), 231
Neonatal varicella (Ehrlich et al.), 139
Neurologic complications of Asian influenza (Blattner), 751
Newborn infant, cerebral arteriovenous fistula producing cardiac failure in (Pollock and Laslett), 731
circulating eosinophil level in, following normal and difficult labor (Khalil), 662
endotracheal aspirate of; studies on pH of respiratory tract (Jacobs and Papperman), 298
hydramnios as signal to physician responsible for (DeYoung), 277
meconium peritonitis caused by rupture of Meckel's diverticulum in (Gilbert and Rainey), 597
methemoglobinemia associated with intestinal strangulation in (Quillian et al.), 737
narcotic addiction in (Roman and Middelkamp), 231
recognition and treatment of adrenal crises in (Scherz and Geppert), 645
sepsis of (CPC), 241
serum bilirubin levels in, and their relation to clinical icterus and liver function studies (Bogin et al.), 529
vaccination against pertussis (Martin Du Pan), 180
News and notes, 135, 254, 382, 508, 635, 754
Nutritional allowances for infants and children on basis of body surface, calculation of (Stickler and Pinkel), 464

O

Obesity (Illingworth), 117
Oleandomycin, laboratory and clinical evaluation of (Koch and Asay), 676

P

Papillary adenocarcinoma of thyroid (CPC), 494
Pediatrics, comprehensive, experiment in teaching (Ross), 336
Penicillin and penicillin-resistant Staphylococcus aureus, environmental (Blattner), 131
V, clinical and bacteriological response to short-term treatment with, in acute respiratory disease (Wheeler et al.), 571
Peritonitis, meconium, caused by rupture of Meckel's diverticulum in newborn infant (Gilbert and Rainey), 597
Pertussis, vaccination of newborn infant against (Martin Du Pan), 180
Pet peeves (editorial), 387
Poisoning: cicatricial stenosis of esophagus following ingestion of single urine-sugar reagent tablet (Tomsovic and Javid), 608
coma in child following use of isopropyl alcohol in sponging (Senz and Goldfarb), 322
ferrous sulfate (Amerman et al.), 476
Prochlorperazine, severe neurological manifestations in four children receiving (Jabbour et al.), 153
treatment of nausea and vomiting in children with (Daeschner et al.), 148
Pulmonary conditions in childhood, surgical treatment of (Cantlin et al.), 432
hypertension (CPC), 615

R

Reproduction, human, studies in, III; frequency of congenital malformations in offspring of nondiabetic and diabetic individuals (Rubin and Murphy), 579
Respiratory disease, acute upper; clinical and bacteriological response to short-term treatment with penicillin V (Wheeler et al.), 571
tract, studies on pH of: I. endotracheal aspirate of healthy newborn infants (Jacobs and Papperman), 298
Rheumatic pneumonitis, Part II; report on clinical and laboratory findings in twenty-three patients (Goldring et al.), 547
Rickettsiae, viruses and, mammalian; new methods of purification and recovery (Blattner), 503
Rocky Mountain spotted fever in children (Missirliu et al.), 303

S

Sacrococcygeal teratoma, malignant, case of (McConnell), 489
Salicylate problem with special reference to methyl salicylate (Cann and Verhulst), 271
Schizophrenia, childhood, toe walking in (Colbert and Koegler), 219
Sepsis of newborn (CPC), 241
Sequestration, bronchopulmonary, in infancy and childhood (Warner et al.), 521
Skin disorders, common, of infancy and early childhood, role of Candida albicans in (Vignec), 692
Special article: medicine at American Indian reservation (Bush), 622
Stenosis, cicatricial, of esophagus, following ingestion of single urine-sugar reagent tablet (Tomsovic and Javid), 608
Surgical treatment of pulmonary conditions in childhood (Cantlin et al.), 432

T

Tachycardia, supraventricular, simulating ventricular paroxysmal tachycardia in infancy (Castellanos et al.), 285
Teaching comprehensive pediatrics, experiment in (Ross), 336
Teratoma, malignant sacrococcygeal, case of (McConnell), 489
Therapeutic issue, 1-106
Thyroid, papillary adenocarcinoma of (CPC), 494
Thyroiditis, Hashimoto's (CPC), 494
Toe walking in childhood schizophrenia (Colbert and Koegler), 219
Toxicosis, infantile, serum and urine amino acids in (Choremis and Nicolopoulos), 515
Tranquilizers (editorial), 764
Trigonal mucosa, prolapsing, in infant (Espinosa et al.), 446
Tuberculosis, childhood, bacteriological diagnosis using bone marrow and peripheral blood aspirates (Kimsey), 413

U

Umbilical stump, flora of (Fairchild et al.), 538

V

Vaccination of newborn infant against pertussis (Martin Du Pan), 180
Vaginitis, pediatric, microbiological study of (Kotcher et al.), 210
Varicella, neonatal (Ehrlich et al.), 139
Viruses and rickettsiae, mammalian; new methods of purification and recovery (Blattner), 503
Visiting policies for children's hospitals (editorial), 513
Vomiting, nausea and, in children, treatment with prochlorperazine (Daeschner et al.), 148
